

**AGENDA TITLE:** Introduce Ordinance Amending Lodi Municipal Code Title 9 - Public Peace, Morals

and Welfare - by Repealing and Reenacting Chapter 9.18 "Vending on Streets,

Sidewalks and Private Property" in its Entirety.

**MEETING DATE:** November 18,2009

**PREPARED BY:** City Attorney

**RECOMMENDEDACTION:** Introduce Ordinance Amending Lodi Municipal Code Title 9 – Public

Peace, Morals and Welfare - by Repealing and Reenacting Chapter 9.18 "Vending on Streets, Sidewalks and Private Property" in its

Entirety.

**BACKGROUND INFORMATION:** Council requested an opportunity to consider an ordinance capping

the number of mobile food vendors that actually prepare food within

the unit at its meeting on October 7, 2009 based on concerns that

the units were rapidly approaching the number of lots available for their use under the ordinance. The attached proposed ordinance implements the caps at 22 Mobile Food Production Units and three Seafood/Produce Trucks. The ordinance does not propose caps for push carts or hot dog stands because no push carts and only one hot dog cart are currently licensed. The permits would be transferable in the event the truck is sold. The ordinance also makes several non-substantive changes to reflect Code Enforcement's move to the Police Department.

Staff contacted David LeBeouf, counsel for the affected business owners who indicated he would not be available on November 18<sup>th</sup>. Mr. LeBeouf requests that Council delay action on this item until he can attend; however he expressed that he does not oppose the concept of transferable permit caps. Staff and Mr. LeBeouf are scheduled to meet next week to consider any changes he might propose and if any are made they will be presented in redline on a blue sheet at the meeting of the Council.

**FISCAL IMPACT:** Not applicable.
